Little giant, the Clean Eco Line GX mini

First in industry to apply light, attractant, and vacuuming method to catch insects.

Easy installation, stylish, small and light weight in design that fit into any place such as supermarkets, convenience stores, near food showcases, and production areas.

Simple operation makes it easy for everyone to operate. No need to change sticky sheet as in regular insect traps, make it even easier to operate and the trap bag makes insects almost impossible to escape. Clean Eco Line GX Mini is the ultimate insect catcher.

Light + Attractant + Vacuuming

Light trap (10W×2)

Suction Opening

Attractant

Product Specification

Clean Eco Line GX Mini

Dimension	W430 x H470 x D190 mm
